

EWITT: Middle & High Schools
Mickie Boggs of Mighty Productions
AGENDA: Saturday, April 24, 2010

Session 2.1 & 2.2: Teams, Topics & Intro to Dreamweaver

Sign In & Housekeeping

REVIEW of 4/17 Class

The project, the topics, the process.

Narrowing down topic ideas- Guiding Questions

GROUP DISCUSSION:

Go around in a circle at your table and discuss the following:

- How are you going to implement this project into your class?
- What questions arose as you read How to TQ?*
- Did you introduce the project to your students?
- How are you going to bring your curriculum to the project?

**Write down questions as they come up. We will answer in class discussion.*

FORMING TEAMS

- How to divide classroom into functioning teams- leaders?
- Forming Successful Team
- Review team-building activities
- Students can discuss responsibilities
- Writing contracts with their teammates and goals for themselves
- Discuss roles and delegating responsibilities
- Create team check-in sheets or daily logs

Adobe Dreamweaver CS4

- Interface & tools
- File naming & organization
- Create a 2-page website

Teacher's Mission: April 26 – May 7

- Brainstorm for topic ideas.
- Engage in team-building activities.
- Use Guiding Questions to flesh out topic ideas.
- Create team folders and daily log.
- Introduce Dreamweaver tutorial.
